

Phyllis May Camden Giordan

September 8, 2020

Phyllis May Camden Giordan of Port Washington, NY.

Sadly, mom passed away last Tuesday evening September 8th in her 95th year. Cremation was private.

I believe we will all miss her kindness, vitality and get up and go attitude.

She was our Eveready Bunny!

Because of the threat of the Coronavirus

we are postponing funeral services and will hopefully have a celebration of life ceremony sometime next spring

Thank you all for your continuous support these past few weeks

Love,

Lynne
