“ *I am so sorry to hear of your loss. A deep private personal pain.*

I went to school with Randi. Francis Lewis. She would sit next to me and I would admire her knit pastel long sleeve sweaters. Green, pink and just about every color.

I was a school nurse at PS 46 in Bayside for many years. Randi would stop by my office from time to time. I was single and so was she. We talked about our social lives and whoever we were dating .

I recall how excited she was when she was going to have a family. And how she loved the twins and how they would keep her so busy. She called it the twins diet. She was a beautiful person inside and out. I am not sure who in her family will be reading this but would love to talk if at all possible. I only recently learned of her not being with us. I have been thinking of her often and remember what a lovely person she was.

(I grew up in Bayside, lived in Bay Terrace and moved to Las Vegas since the last ten years.)
