“ Tuve el honor y suerte de compartir con Reinhard Kohler sus 3 estadias cortas en Lima , Perú y esta última fué la más linda porque lo acompañé a diferentes lugares como ir a escuchar Misa , museos , al Mall y al banco , siempre con un cafecito incluido en el paseo . El conversaba con todos los taxitas y la gente en general , todos se admiraban de lo bien que hablaba el español y sobre todo por su edad, que él la decia sonriendo y bromeando . Siempre te llevaré en mi corazón y espero que Dios me permita volver a encontrarte , te vamos a extrañar y recordar por siempre tus amigos peruanos.

“ Reinhard will be missed at all our family gatherings, he and his lovely Ciris celebrated many Thanksgiving's and other holidays and special occasions at our home. We will always remember him for his kind and gentle nature, his love for his family and faith. Thanksgiving and Christmas will never be the same without him.

“ I was very lucky to have had the honor of having Reinhard Kohler in my life. As a kid he was like an uncle to me although we were not blood relatives. His faith was always an important part of his life and he wished to share it with others. He would go to the local prison and read from the Bible to inmates. No fear of being in a place most fear because he had faith. He wished to share with the inmates that there is a better place if you have faith. You can change your life around with faith. He was also a selfless human being. While he was struggling with understanding what was happening to him in his last weeks, he only wished to make sure his best friend (my step-dad), would be cared for and live in closer proximity to me. That was one worry that was on his mind. He wasn't worried about himself. He wanted to know his best friend's remaining time on this earth would be secure. He was a model for how people should act towards others. I am so sad he is gone, but I know he is in a better place. I thank God for having brought Reinhard Kohler into my life.

“ *Reinhard was a cherished member of the St. Mary's Prison Ministry here in Annapolis. The imprisoned men respected and liked him and were distraught to learn of his death. We've arranged for a Mass to be said for Reinhard on 16 June at 8AM at St. John Neuman. Fr. Elias will celebrate the Mass, as he knew Reinhard. We will miss him very much. He was a loyal and funny and kind man.*

*Reinhard was a dear member of our family who will be sorely missed. He always had a personal story to share with me about his life. He told me that he lived under Socialism, fascism, communism, apartheid and finally democracy when he moved to America. Our family get togethers will never be the same without him.*
