

Richard Tenenbaum

October 20, 2025

Richard was a loving father to his precious daughter, Cassandra, and her mother Lynda, loving brother to his sisters, Susan and Nancy, and brother Steve. He was fortunate to have an extended family including a wonderful brother-in-law, Michael, and both his nephews, Henry and Roman.

In addition to his love of family, his passions included basketball, water skiing and fishing.

After an active life, he developed a number of infirmities that made retirement a difficult time, but his final moments were peaceful.

He will be missed but will always live on in the hearts of his family and friends.

In lieu of flowers, please make a donation to your favored charity in Richard's name.

Funeral services will be held at noon on Thursday, October 23rd at Roslyn Heights Funeral Home, 75 Mineola Avenue, Roslyn Heights NY 11577 (516) 621-4545

“ So sad to hear about Richard’s passing, and please accept my deepest condolences. RT was one of the first kids in our Laurel Hollow neighborhood that I met just before starting kindergarten at West Side School together, and that’s when the memories of many fun times began. Birthday parties, CYO baseball & basketball together, friends’ bar mitzvah celebrations, CSHHS, and so much more. He had a heart of gold and I’ll always remember him. Susan, Nancy, & Steve... my thoughts are with you and the rest of your family at this difficult time.

With sympathy,

“ Dear Tenenbaum Family,

I'm so very sorry to hear about Richie's passing. My heart and prayers are with all of you during this heartbreaking time. Richie — Baumer, as I always called him, was one of those rare souls who could fill a room with light just by being in it. He had this incredible mix of warmth, humor, and that wild, eccentric spark that made everyone around him feel alive. You couldn't help but smile when he was near. He was one of my very best friends growing up, and that bond never faded. Even as the years went by and life took us in different directions, it was as if no time had passed whenever we talked. Our birthdays were just a day apart, Richie's on May 10th, mine on May 9th and for forty years, without fail, he called me on my birthday. Every single year. That small but constant gesture was just so him — loyal, big-hearted, and full of love. I'll miss him more than words can say. But I take comfort in knowing how much joy he brought into this world and how deeply he was loved. I'll carry his laughter, his friendship, and his beautiful spirit with me for the rest of my life.

*God bless you, Tenenbaum Family, and God Bless you my bro,
You were truly the best.*

peace and love,

Robbie Roth

“ Rich recently reached out to me and in typical fashion made me play a game of ‘Can you guess who this is’. After thinking about some of his clues overnight, his name popped into my mind even though several decades had passed. I text him back using his initials and he seemed pleased. I knew him as a student at SIU and I cannot express how touched I am that he reached out to me near the end of his life. My condolences to his family. Sally DeDecker
