“ *Mr Boeshore was an outstanding woodworking teacher at JHS 185 Bleeker. I completed a book rack in his class. He had a real gift for motivating us and keeping our projects moving.*

“ *When I moved to South Park, Bob was the president of our civic association. He and his family led the community in many civic and social endeavors - the Bird Coler Hospital holiday gifts, the Christmas wreaths on our corner poles, the Halloween parade and many other community events, After several other presidents took over, Bob's son, Rick, became president and followed his father's passion to lead South Park in many important activities. Bob's family moved away a few years ago and are very truly missed. We say good bye to Bob with very grateful hearts.*
