“*Rosemary was a complete delight to work with. She always had a beautiful smile, a kind word and a wry sense of humor. Rosemary worked very diligently and her brilliance, kindness and charming personality are sorely missed. I'm sorry I will miss her services but I hope you all know that she has a very amazing legacy with all the lives that she and her family have blessed. Rosemary adored her family and spoke of you all often and with her lovely sparkle in her eye-Carolyn McQuade (Nassau Suffolk Law Services-now Legal Services of LI)*

“*One of the sweetest people I will ever know. She worked at Nassau/Suffolk Law Services for many years. I missed her after she retired and I will be missing her even more in the years ahead. - Dan Okrent*

“ It was July 1969, my parents were in Florida for the launch of Apollo 11, and I was staying with my aunt and uncle in Greenvale. My cousin Lorraine and I were doing a puzzle in the shade of a big tree. My Godmother Rosemary came out with sandwiches for lunch. I said “what’s this”? She said it was tuna. I told her I never had a tuna fish sandwich and she said try it, it tastes like chicken. So I did, now every time I eat tuna I think of that day. I love you Aunt Rosemary.
