“ We will always cherish the memories of our family time together. Our annual Arizona trips and Cruises were filled with laughter and Love. Some people around us left because of the noise but most just wanted to join us because we had so much fun. Holidays will never be the same. We Love you and will always miss you. Rest in peace our beautiful niece.

“ My dear friend Joan, and family I cannot help to feel that the loss of your daughter , it has caused my heart to grow heavy. I know that there are many things that people will say to ease your burden and I know that the Lord is watching over you right now as you read this. I know there are countless arguments and questions that lie in every persons mind but knowing who you are and that you believe I know that everything will be alright. I know you will pull through this time of trouble as in all believers in “Christ ” do when things become dark and troubled around them. I did not know your daughter personally but I feel that she was filled with the spirit and wore her armor all around her . she is now resting and free from the perils of this world. I know that you are one that always keeps the faith .because I know that is the only way we could survive Please rest your troubles in the Lord for he is the rock, strength and source of our existence. I know your daughter will be missed here but she will be remembered by all as one of the chosen. I often times remember that when we are absent from the body we are present with the Lord. May the Lord continue to bless you and keep you always .My continued prayers go out to you and your family.
Love you and GOD bless
With deepest condolences,
Bro. Gary Psarudakis

“ I don't know if I can even find the words to write this but I'm going to try for you Stefanie. Where do I even begin with our memories together?? You are my sister and every moment I spent with you was a memory. I just want you to know how sorry I am for every fight or bad thing I ever said to you. I regret all of it. I hope you knew how much I loved you and what you meant to me. I wish I was there for you more when you needed me the most. I never knew the pain you felt but I regret not doing more. The sadness I feel is more than you can imagine but I have comfort in knowing you are at peace. I love you forever and ever and one day we will meet again my sweet angel.
