“ I just found out about your passing. We just talked in August about getting back together coaching. Steve, thank you for everything. I'm shocked and sadden losing you as a friend. I'll never forget our times hanging out , talking and just learning from each other, picking each others brain just to be the best. I'll never forget the times we coached together, best of times. I still have your number in my phone, never will I delete it hoping on day you call me.RIP
