“ *My beautiful Godmother, you mean the world to me. I have always been so grateful for you and your friendship with my mom because that special love made her choose you for me. And your generous heart has always been there for me and my family. I love you so much. There are no words for how much I will miss you.*

“ Terry was a good college friend when we attended St John's University. We were both Brooklyn born and only children . We continued our friendship after graduation and into our young married years. I moved away but made time to go back to Brooklyn to be with Terry and our mutual friends from college. We enjoyed our many trips into Manhattan and celebrating special occasions together.
