“ Theresa was an amazing person and an unbelievable friend! We shared great memories together for sure! But one that stays in my heart is driving around Port Washington with my two nieces maybe A year and singing songs in my dad’s car! I love her so much! And will cherish all our amazing memories

“ Theresa worked with me at St. Francis hospital as an aide many years ago. She later became an RN. She was a wonderful gal, jolly, great sense of humor, kind and we nurses loved her as did the patients. God speed, Theresa , you are gone too soon and will be sorely missed. Gayle Palmer RN
