“ *Mama Vali!! It's hard to believe that we lost you a year ago today. You are sorely missed by so many. Today we visited the cemetery in Bucharest to pay our respects to your parents. Ofelia, Arthur and I talked about our love and respect for you and they reminisced about their wonderful childhood with you and with their grandparents. It was a good day. I promise that we will always keep your memory alive by continuing to share our fond, loving memories of you every chance that we get:-)*

“ *It's been more than 6 months since we lost you Mama Vali. We miss you more than ever:-) With Christmas and New Years upon us it hurts even more because this was your favorite season of all. Although gifts and pleasantries will be exchanged we cannot celebrate as usual without you. Our hearts are heavy. Hopefully you have found peace in heaven. We love you!*

“ *Condoleanțe Ofelia și Arthur!*

Ma Vali, te-am iubit si te voi iubi atât cât voi exista. Ne cunoaștem de peste 50 de ani de pe când aveam 18-19 ani. Mi-ai fost alături în toate momentele importante ale vieții, și în cele bune dar mai ales în cele grele si pentru asta îți mulțumesc din suflet! Îți mulțumesc pentru toate sfaturile pe care le-am primit de la tine și pentru toată implicarea ta.

Acum regret enorm ca poate nu ti-am arătat cât ai trăit toată iubirea mea.

...Altfel, noi rămânem cu toate amintirile celor 50 de ani: petreceri în Foișor, întâlnirile din Berceni, concediile făcute împreună cu copiii, întâlnirea din NY....și multe altele .

Recunostinta, iubire și respect veșnic.

Odihneste-te în pace suflet bun!

“ *Dragii nostri, suntem alaturi de voi in aceasta pierdere dureroasa.*

Tanti Vali este unul dintre cei mai frumoși oameni pe care i-am cunoscut, si pastrez adanc in sufletul meu imaginea vremurilor in care ne intalneam, povesteam si radeam impreuna. Resimt profund in suflet pierderea acestui om minunat si luptator cu suflet atat de bun si cu un caracter puternic, impecabil.

Imi voi aminti mereu de Tanti Vali si daca vom intalni sufletele celor dragi si apropiati mai tarziu, dansa sigur va fi acolo. Tanti Vali ne-a adus impreuna si sigur vrea sa pastram legatura.

O simt aproape de sufletul meu si am ales sa aduc acest omagiu in Ro, pentru ca eu cred ca Tanti Vali ar fi preferat asta.

Condoleanțe!

“ Condolences Ofelia, Arthur and your families.. :(Offff what sad news came to me today. I have so many beautiful memories with Tanti Vali and they all stay alive in my soul and my heart for the rest of my life. I know and I will never forget how much I have meant for Tanti Vali and I am convinced that she knows how much it meant for me. I would have wanted to see it a lot, but unfortunately, now it remains to meet our souls for a few years ... Easy road to the stars Tanti Vali! Rest in peace Tanti Vali !!!

“ My dear Vali or rather Valicica, you went away too quick, too far and I can't reach you. I promise, though, we'll be together soon, and we'll chat and chat like we used to. You are such a nice and warm person to talk to; just looking in your eyes, I know what you are going to say. Your story telling gift speaking of long gone events is wonderful; we were all listening and hoping the story will never end. And your voice, I can hear it as I am writing this, so calm, so soothing. You are by far the best story-teller I knew. I asked God to take good care of you, and your Guardian Angel interfered and said I shouldn't worry, because he can't wait to chat with Vali, and I should rather go where I belong. We hugged, my God! I felt her heart was beating hard, she didn't want to let me go, but finally she saw her little ones coming or rather running to give their Great Grandma a big big hug.
Good-bye, my dear Vali, be happy, you deserve all the happiness the Heaven will offer you. We will think of you, speak of you and with you every single day, remember. My Love for you and Doru's Love for you will never end. Rest in Peace, my Love!
