“ I recently learned of Victor's passing and wish to extend my very deepest condolences to his family. I knew Victor from our days at SIAC/NYSE. Victor was an honest, funny, respectful, thoughtful, and overall a "genuinely great guy".

*The world has lost a true leader who aspired to make the world a better place - one person at a time. I sincerely hope his family understands how much of a positive impact he had on so many people's lives*

*Victor, my you rest in peace among the angels and all the good souls who have now welcomed you to the Lord's pasture of peace.....*
