“ Nanny,

To know you was to love you! I can't believe that you are gone, but I know that you deserve to finally be at peace and free of suffering. You went through so much these last two years, and you didn't deserve a second of it. But you did it with grace, a smile, and a sense of humor. Even in the darkest of days, we found a way to share a laugh (often at you-know-who's expense). You taught me so much these last few years, from cooking the seven fishes to saving 30 cents on the groceries. I will forever cherish the wonderful memories we made together. I love you endlessly.

Love, Marissa

I will always cherish memories of Violet whether on Caney Lane or seeing her at Holy Name after mass. Always genuinely concerned and so, so kind. I will always remember her green volvo and her driving Nancy & I to girl scouts. I was lucky to see her & Mike 25 years later at Holy Name (what a delightful surprise !) She was a wonderful woman who enriched the life of anyone who was lucky enough to know her. The Fierro Family was blessed to have her as a friend both in Rosedale & in Woodbury. Til we all meet again... you will truly be missed.

“ Nan-

It's only been a day but somehow the world feels less bright with you gone. I hope you're dancing around up there and having a Dewars. You were one of the most influential woman in my life and have taught me so much in what felt like too short of time here together. Thank you for everything. Until we meet again, I love you forever.

“ *For My Beautiful Mom, My Best Friend,*

My heart is truly broken. I don't know what I am going to do without you!!! I hope my relationship with my girls is as special as the one we shared. You are the BEST!

As I receive sympathy messages, every message I receive includes how special and wonderful of a person you are. You fought a tough fight for two years, and every day you had a smile on your face. You were the strength that got US through each day.....go figure.

You will forever be in my heart.....a void that will never be filled.

I love you more than you will ever know and will miss you every day.

xoxo

“ Our Nanny. You were the light in every room, selfless, kind, loving, spunky and truly one in a million. This world was a better place with you here in it, and you will be so very missed. I am so blessed to have had a grandmother like you, and hope you know how loved you are. Heaven gained the most beautiful angel but I know you will be with us everyday, watch over and protecting us ❤️ May you rest in peace. Your strength is an inspiration and I will do all that I can in this life with a big smile just as you always did. I will forever cherish all the memories I am so lucky to have. I love you forever Nanny, there are no words to describe how much we miss you. Until we meet again 🕊️
