“ *My world has changed forever with the passing of my best friend, my brother. Too many memories to share and some that shouldn't be....lol. My heart aches. I'll miss you until the day we meet again. I'll love you forever. Save me a seat brother!*

“ *I hold in my heart such great memories of Billy and the Pembroke Street gang. We all grew up together. We were like a big family rather than neighbors. In the summer time we would play kick ball every night. As we got older we would drink beers in Billy's car. When Danny and Billy got together (which was all the time) there would be endless laughter. Billy was just a good soul with a big heart. Rest in peace..Will miss you dear friend...Darlene Pupo-Carlstrom*

“ Billy I always considered you an older brother since you were always with DanO. I remember the both of you bringing me to join cub scouts when I was 8-9 years old and how I enjoyed your company all the years between then and now. Back at your house after my wedding was epic. I will miss you dearly and take comfort from the fact that I will see you again one day in the Kingdom of Heaven. I am glad you were with me in Abbey Road.
