“ *May God's Grace Strengthen Your Soul:*

I wanted to share a reflection of today. As this day grew closer this past weekend my heart was heavy. I shared with your mother our sister Yvette, that we still miss her deeply. As I awoke this morning, my eyes were filled with tears of joy. I sat this morning in the dinningroom having a cup of coffee all by my self. As the tears rolled down my face, these images were so vivid in my heart. You see on this day, I saw my sister and spoke to her for the first time; since I said goodbye. I awoke to a dream that felt so real. I saw my sister Yvette walking towards me with a huge smile from ear to ear. She was wearing blue jeans and she had both hands in her pockets. As she walked towards she was like in her mix 40s and she walked with a sassy walk. She was so beautiful and "Cancer Free". I stood there in disbelief, but was delighted because I couldn't believe me eyes. I knew in the dream that she was in heaven.

As I stood still I said out loud, OMG sister we miss you so much! I miss talking to you on the phone. She just kept smiling as she got closer. Suddenly, she was right in front of me. I asked her quickly, "are you ok - are you happy - not suffering nor pain? Her responses were, "I am so happy and at peace. I am not suffering no do I have pain". I then said while tears roll down my face, We miss you. I miss you. She responded " I know, that's why I came to visit you". Our noses were only inches away from each other. She then took both of her hands and held my face. She said "I love you" an then, she kissed me on the forehead an then my lips. We then hugged each other so tight. It felt so real. Then I awoke. I decided to share this dream of testimony at the end of your day, "which bears fruit to how your mother is and more importantly that she wants you to know that. Happy Birthday Sister. May you continue to rest in peace in the loving arms of our heavenly father. Thank you Lord, for allowing this special visit of love, comfort, and strength to all of us. Love Always, Aunt Aracellis

“ Dear Big Sister:

I miss you already. My heart is so heavy and broken into a million pieces. I am so honor to have had you as my sister. My mind wonders and my nights are long. Some memories are sad and others are good, but I am grateful that throughout all of them you were there. When my time arrives to join you please sister I ask you to be there to receive and escort me to our love ones in heaven. May you rest in peace my sister in God's loving arms. Until I see you again I want you to know that you will never be forgotten.

*Love Your Sister,
Nancy Carrasquillo*
