I will be grateful to God for giving you to us. You are a blessing. You will always be remembered in my prayers. Love you much.*

“ *Mommy we miss you 😭 . You were taken so fast, no goodbyes were said. You were so full of life the last time we saw you, still hear your laughter but you are called back home now. We have another angel watching over us. Thank you for touching our lives , you will be in our hearts forever ❤️🙏❤️*

“ *I miss you Mommy. There are days I thought of picking up the phone to call you but then I would remember that's no longer possible - tears will start flowing & my heart ache so much. I wish I can hear you asking me "What did you cook for dinner?" one more time.*

Until we meet again. Please watch over us. Have fun in heaven & rest peacefully. I love you, my dearest Mommy.
